

Pattern A starts on finger 2  
(or 1 if on G string)

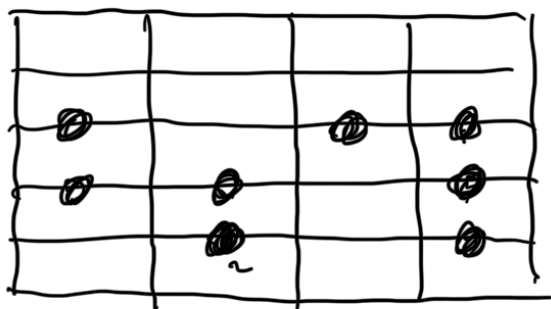

Pattern B starts on finger 4  
(or 3 if on G string)

Pattern A starting on E string

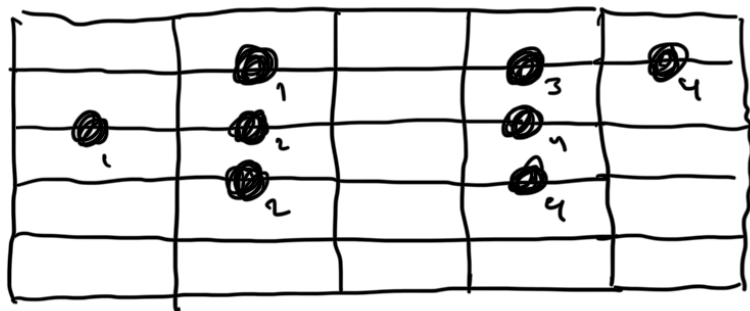

one finger per fret

Pattern A starting on A string

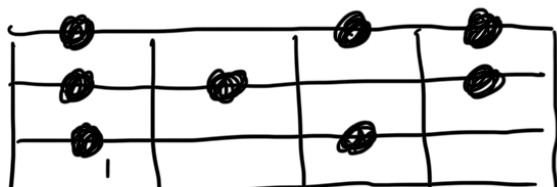

its exactly the same  
as on E string.

Pattern A starting on D string

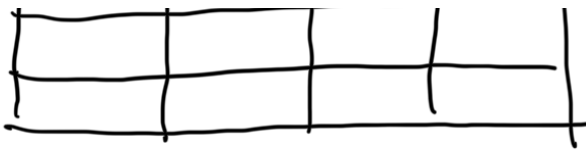

same except  
we shift up for  
B string.

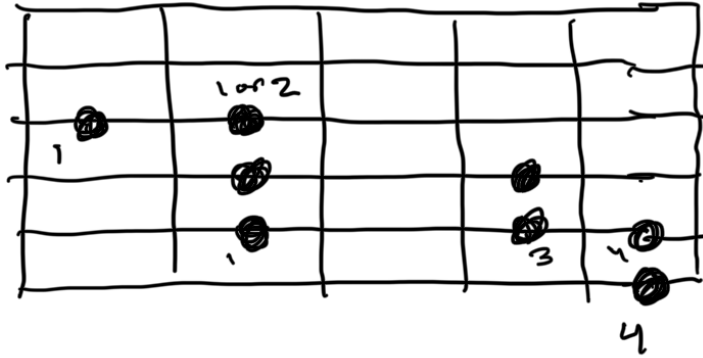

Pattern A starting on G string

starts on 1 finger  
no shifting

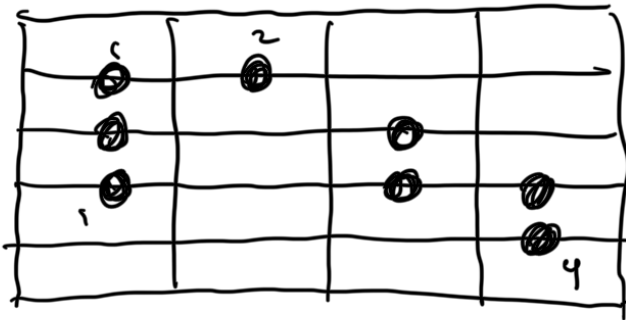

Pattern B starting on E string

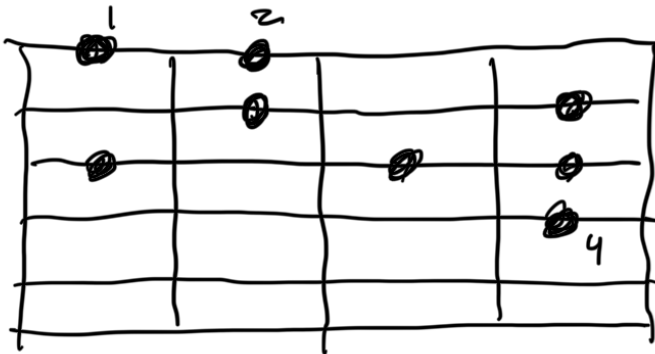

start on finger 4

one finger per fret  
with a slight pinout

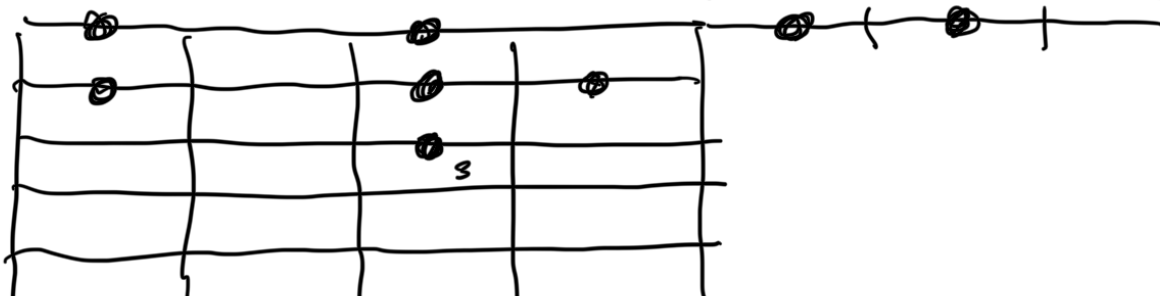

Pattern B starting on A string

Pattern B starting on D string

Pattern B starting on G string

---

This one starts on 3rd finger.  
It requires a shift to play the whole  
octave.
